## notes

don't let the color fool ya...this garnacha will straight up knock you on your ass. despite it's pale complexion, this is a full-on red wine that packs an unexpected punch of black cherry, white pepper and subtle herbs. the tannins are soft, the oak is unassuming and the acidity is bright.

## about

we are a family-owned, craft winery committed to making small-lot wines from the best vineyards we can find in lodi, clarksburg and the sierra foothills. in a lot of ways, that's kind of our mission statement...and one that we are absolutely, fundamentally passionate about.
