## notes

not a typo or a mis-print...we actually made a sauvignon blanc. citrus and pineapple scream on the nose - with bright acidity and a touch of richness helping to keep things fresh and exciting. the finish offers up that subtle "grassy-ness" that you'd expect.

## about

we are a family-owned, craft winery committed to making small-lot wines from the best vineyards we can find in lodi, clarksburg and the sierra foothills. in a lot of ways, that's kind of our mission statement...and one that we are absolutely, fundamentally passionate about.
