## notes

this tempranillo is a mashup of old-world and new. the nose goes old (plum, black currant and dirt) while the palate trends toward new (more plum and cherry). leather, tobacco and spice round things out - while the tannins keep the finish nice and dry.

## about

we are a family-owned, craft winery committed to making small-lot wines from the best vineyards we can find in lodi, clarksburg and the sierra foothills. in a lot of ways, that's kind of our mission statement...and one that we are absolutely, fundamentally passionate about.
